

Division of Student Affairs
All Staff Summer Colloquium
August 3, 2018

STUDENT SUCCESS:

The foundation for student success is created by providing support, guidance, and resources that ensure students have the tools to successfully accomplish their academic, career, and personal goals.

COMMUNITY OF SCHOLARS:

- Foster a campus culture that supports our diverse student population
- Assist students' transition and connection to UC Merced by providing experiences that communicate they matter and are valued contributors
- Create service delivery models that are graduate and undergraduate student focused
