The Assessment Report	Highly Developed	Proficient	Developing	Initial
<p>Student Learning Outcomes: SLOs are well written, meaningful and designed to yield actionable information.</p>				
<p>Measurement: Includes valid measures yielding relevant and sufficient evidence for each SLO. Direct measures utilized, or mix of direct and indirect evidence mutually informs conclusions.</p>				
<p>Reliable Results: Data collection is explicitly designed to generate reliable results. Efforts are made to maximize confidence in results and, thus, conclusions.</p>				
<p>Results Summary: Results are provided for each SLO with brief narrative, data table (or other summary format). Includes consideration of the extent to which SLOs are met in light of relevant benchmarks.</p>				
<p>Conclusion: A well-reasoned critique of conclusions, implications, and recommendations is reported. Discussion of results, planned needed changes, and efforts are made to collaborate with others to improve future performance.</p>
